

**Announcing Auditions & Technical  
Crew Sign-ups For A July Production  
Of Rogers & Hammerstein's  
Once Upon A Mattress**

**WHO :** Theatre de Jeunesse, Inc. is a local theatre arts program offered free of charge to Mid-Ohio Valley high school students and young adults. Visit our website at [www.tdej.org](http://www.tdej.org) for program, staff, and casting information.

**WHAT :** Loosely based on "The Princess and the Pea", this musical comedy is a rollicking spin on the familiar classic. In this version, Princess Winnifred swims the moat to reach Prince Dauntless the Drab, and it isn't the pea under the mattress that causes the princess a sleepless night. With roles for singers and non-singers, the show is filled with songs both hilarious and romantic, and side-splitting shenanigans. This production was the Broadway debut of Carol Burnett portraying Princess Winnifred, and the revival starred Sarah Jessica Parker.

The selected technical crew will assist the Technical Director in the design and creation of the set, props, lights, and sound for the production. They will also provide the backstage and light rail support for the production as: stage crew, stage manager, assistant stage manager, and lightboard, sound, and followspot operators. Costume interns will assist the Costumers in the research, design, and construction of costumes.
